

MAY 3RD

THE WAR FOR NORTH DAKOTA

What reason would law enforcement have to mace people in prayer? Brutalize a veteran with PTSD for picking a flower? Or shoot at medics? The War for North Dakota attempts to get the answers and presents us with an archival film creating a timeline of events from the very beginning of Standing Rock to the horrors of November 20th. Featuring on the ground perspectives and interviews with water protectors. See the real story and understand the bigger picture.
